

Dream Circle

4 week class \$80

Tuesdays, October 14th - November 4th

6:30 - 8:30pm

A four week class covering the deeper aspects of dreamwork. Class time will be spent working with the individual dreams of the participants. Each person will develop their own “dictionary” of personal dream symbols they can take with them and continue to delve into their dreamtime for answers and information. Participants must attend the first class in order to create a sense of connection and community in the group.

Elizabeth Perkins *has been working with dreams and symbols for over 15 years. She has experienced great personal transformation through the use of dreamwork. Using this experience and her enthusiasm for the subject, she hopes to show that anyone can find their answers in their dreams.*
