

"Is This Just My Imagination?"

Exploring Personal Psychic Phenomena

with Kim Perkins

When we begin to open psychically, a shift occurs in our world that is both exciting and confusing. As we begin to perceive things in a new way, our third eye opens, activating our innate 6th sense, and we experience heightened sensitivity and awareness. We may ask, "Is this just my imagination"? or "Is this happening only to me"?

This class, led by Kim Perkins, will provide a safe place to explore these gifts and share information as well as discover practical ways to embrace these new-found abilities!

Kimberly Perkins, co-owner of Elysian Fields, has worked with dreams for insight, guidance and self-discovery for twenty years. She has been a student of metaphysics and psychic phenomena all her life and enjoys sharing information and insights with others.
